

Raxworthy Visioncare | Fee Structure 2018

We want to be able to provide our best level of care for all of our clients, all of the time. Visioncare is our monthly payment plan and costs just £10 per month, it is the preferred method of accessing our eyecare services. All examination procedures are inclusive on Visioncare, as are product and treatment discounts. There is no limit on how many times you attend. **Visioncare reflects the true cost of an eye examination, as such it allows us to reward your loyalty with 25% off the cost of spectacles.**

Professional Fee

Extended NHS eye examination	£37
A comprehensive examination of a minimum of 40 minutes including OCT retinal scans, digital retinal photography (plus dilation if necessary) and an extended visual field assessment.

The Eye Clinic

Most eyecare procedures in the Eye Clinic are provided through Visioncare, which at £10 per month allows complete clinical access and gives emergency cover if needed.

Full dry eye assessment (30 minutes)	£50
Includes assessment of anterior surface and lids, use of sodium fluorescein diagnostic stain, eyelid eversion, imaging if necessary, explanation of types of dry eye and treatment plan. <i>Inclusive within Visioncare</i>	
Dry eye follow-up (20 minutes)	£30
<i>Inclusive within Visioncare</i>	
Bleph-Ex treatment	£50
<i>£25 on Visioncare</i>	
Punctal occlusion	£150
<i>£75 on Visioncare</i>	
This procedure can only be performed after a full eye examination and dry eye assessment. Temporary occlusion lasts up to three months.	

Children

(Some tests above the basic NHS sight test may be necessary)

Vision training / patching follow-up appointment	£25
Cycloplegic refraction on a separate appointment	£15
Coloured overlay assessment (including coloured overlay if necessary)	£35

Contact Lenses

All contact lens fittings, aftercares and eye examination fees are covered by our monthly payment plan: Visioncare For Lenses is the preferred way of purchasing lenses and starts at just £11.50 per month.

Comprehensive eye examination and contact lens aftercare A comprehensive eye examination and contact lens aftercare of a minimum of 60 minutes including OCT retinal scans, digital retinal photography (plus dilation if necessary) and an extended visual field assessment.	£75
Under 25 eye examination and contact lens aftercare A comprehensive eye examination and contact lens aftercare of a minimum of 40 minutes including OCT retinal scans, digital retinal photography (plus dilation if necessary) and an extended visual field assessment.	£58

Toric / Multifocal / RGP	£75
Contact lens aftercare and issue of contact lens prescription	£45
Ortho-K lens fitting* An Ortho-K lens fitting normally involves 4-6 appointments dependent on how the lenses fit and the time taken for the therapy to work. Every fitting is different but the fixed fee is inclusive of any follow up appointments needed for this fantastic vision therapy. <i>£175 on Visioncare</i>	£350

* Patients will need to have had an eye examination within the last 6 months in order to be considered for Ortho-K

NHS Eligibility

At Raxworthy Visioncare we believe that whatever your eligibility you should have the most comprehensive examination available. Our optometrists recommend the extended NHS examination for everyone so we can provide you with the most appropriate care and recommendations by spending an extended time with you.
